Dear Mr. White,

It is with great pride that I extend my congratulations to you and your staff, on White Samaniego & Campbell's selection as the recipient of the Access to Capital Award by the Minority Business Enterprise Center! This achievement is indicative of both your staff's and your own hard work and great abilities you have shown throughout your careers. All of your family, friends, and peers should be very proud of you.

Thank you for dedicating your lives to assisting El Paso's local economy, and also for inspiring the people of our community to push themselves to their full potential. I am confident that your role in the national and local economy will benefit and empower not only our minority citizens but our entire community. Once again, Mr. White, congratulations on your recent success, which I know will endure for years to come.

Sincerely,
